

May 11 – 15 - Lottery Credit Week

The Green County Treasurer's office in conjunction with the Wisconsin County Treasurer's Association is dedicating the week of May 11 - 15 to verify that all eligible Real Property Owners received the lottery credit on their 2014 tax bills. Last year the average lottery credit in Green County was approximately \$127.00. The exact amount is based upon the school district in which your home is located.

To qualify for the lottery and gaming credit, an owner must be a Wisconsin resident, the owner of the dwelling, and use the dwelling as their primary residence as of the certification date (January 1, 2014). If temporarily absent, typically for a period no longer than 6 months (hospital, vacation, incarcerated, etc), it is the home to which the owner returns. Principal dwelling means any dwelling used by the owner of the dwelling as his/her primary residence. A property owner may claim only one primary residence. [sec.79.10 (1) (dm), (9) (bm), Wis. Stats.].
